INFORMATION ABOUT THE MEETING

This Proxy Statement

We have sent you this proxy statement and the enclosed proxy card because our board of directors is soliciting your proxy to vote at our 2004 Annual Meeting of Stockholders or any adjournment or postponement of the meeting. The meeting will be held at 10:00 A.M., central daylight savings time, on Tuesday, May 4, 2004, at The Ritz-Carlton, 100 Carondelet Avenue, St. Louis, Missouri.

THIS PROXY STATEMENT summarizes information about the proposals to be considered at the meeting and other information you may find useful in determining how to vote.

THE PROXY CARD is the means by which you actually authorize another person to vote your shares in accordance with the instructions.

Our directors, officers and employees may solicit proxies in person or by telephone, mail, electronic mail, facsimile or telegram. We will pay the expenses of soliciting proxies, although we will not pay additional compensation to these individuals for soliciting proxies. We will request banks, brokers and other nominees holding shares for a beneficial owner to forward copies of the proxy materials to those beneficial owners and to request instructions for voting those shares. We will reimburse these banks, brokers and other nominees for their related reasonable expenses. We have not retained the services of any proxy solicitation firm to assist us in soliciting proxies.

We are mailing this proxy statement and the enclosed proxy card to stockholders for the first time on or about March 29, 2004. In this mailing, we are including copies of our 2003 Annual Report to Stockholders.

Who May Vote

Holders of record of our common stock at the close of business on March 10, 2004 are entitled to one vote per share on each matter properly brought before the meeting. The proxy card states the number of shares you are entitled to vote.

A list of stockholders entitled to vote will be available at the meeting. In addition, you may contact our Secretary, Karey L. Witty, at our address as set forth in the Notice appearing before this proxy statement, to make arrangements to review a copy of the stockholder list at our offices located at 7711 Carondelet Avenue, Suite 800, St. Louis, Missouri, before the meeting, between the hours of 8:00 A.M. and 5:00 P.M., central daylight savings time, on any business day from April 19, 2004 up to the time of the meeting.

How To Vote

Edgar Filing: CENTENE CORP - Form DEF 14A

You may vote your shares at the meeting in person or by proxy:

TO VOTE IN PERSON, you must attend the meeting, and then complete and submit the ballot provided at the meeting.

TO VOTE BY PROXY, you must mark, sign and date the enclosed proxy card and then mail the proxy card in the enclosed postage-paid envelope. Your proxy will be valid only if you complete and return the proxy card before the meeting. By completing and returning the proxy card, you will direct the designated persons to vote your shares at the meeting in the manner you specify in the proxy card. If you complete the proxy card with the exception of the voting instructions, then the designated persons will vote your shares for the election of the nominated directors and the approval of the charter amendment. If any other business properly comes before the meeting, the designated persons will have the discretion to vote your shares as they deem appropriate.

Table of Contents

Even if you complete and return a proxy card, you may revoke it at any time before it is exercised by taking one of the following actions:

send written notice to Karey L. Witty, our Secretary, at our address as set forth in the Notice appearing before this proxy statement;

send us another signed proxy with a later date; or

attend the meeting, notify our Secretary that you are present, and then vote by ballot.

If your shares are held in the name of a bank, broker or other nominee holder, you will receive instructions from the holder of record explaining how your shares may be voted. Please note that, in such an event, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.

Quorum Required to Transact Business

At the close of business on March 10, 2004, 20,249,580 shares of our common stock were outstanding. Our by-laws require that a majority of the shares of our common stock outstanding on that date be represented, in person or by proxy, at the meeting in order to constitute the quorum we need to transact business. We will count abstentions and broker non-votes in determining whether a quorum exists. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

DISCUSSION OF PROPOSALS

Proposal One: Election of Class III Directors

The first proposal on the agenda for the meeting is the election of two nominees to serve as Class III directors for three-year terms beginning at the meeting and ending at our 2007 Annual Meeting of Stockholders.

Under our by-laws, our board of directors has the authority to fix the number of directors, provided that the board must have between five and eleven members. The board of directors currently consists of seven members. Our by-laws provide that the board is to be divided into three classes serving for staggered three-year terms.

The board has nominated Richard P. Wiederhold, a current Class III director, for re-election, and Steve Bartlett for initial election to the board. **The Board believes the election of these two nominees is in our best interest and the best interest of our stockholders and recommends a vote FOR the election of the two nominees.** Brief biographies of the nominees follow. You will find information about their stock holdings on page 21.

Steve Bartlett

Mr. Bartlett is President and CEO of The Financial Services Roundtable in Washington, D.C. Mr. Bartlett served as the Mayor of Dallas, Texas from 1991 to 1995 and as a Member of the U.S. House of Representatives from 1983 to 1991. Mr. Bartlett is 56 years old.

Richard P. Wiederhold

Mr. Wiederhold has been a director since 1993. He has served, since 1992, as President of Managed Health Services, Inc., d/b/a the Elizabeth A. Brinn Foundation, a charitable foundation. From 1973 to 1985, he held several positions, including Corporate Treasurer, with the Allen-Bradley Company (now Rockwell Automation), a manufacturer of industrial motor controls and electronic and magnetic components. Mr. Wiederhold is 61 years old.

Table of Contents

We expect that Messrs. Bartlett and Wiederhold will be able to serve if elected. If either of them is not able to serve, proxies may be voted for a substitute nominee or nominees.

The nominees receiving the greatest number of votes cast will be elected as directors. We will not count abstentions when we tabulate votes cast for the director election. Brokers have discretionary voting power with respect to director elections.

Proposal Two: Approval of Charter Amendment to Increase Number of Authorized Shares

Overview

The second proposal on the agenda for the meeting is the approval of the charter amendment to increase the number of our authorized shares of capital stock.

At the meeting, we will ask our stockholders to approve an amendment to our charter to increase the number of authorized shares of common stock from 40,000,000 to 100,000,000. In addition, to effect this change, the total number of shares of capital stock authorized in our charter would increase from 50,000,000 to 110,000,000.

On March 12, 2004, our board of directors voted unanimously to recommend to the stockholders that our charter be amended to increase the number of shares of common stock authorized for issuance by 60,000,000. Under Delaware corporate law, we are required to obtain approval from our stockholders to amend our charter to increase the number of shares of common stock authorized for issuance.

If approved by our stockholders, the increase in authorized shares would become effective as soon as reasonably practicable after the meeting by our filing a Certificate of Amendment of Certificate of Incorporation with the Delaware Secretary of State.

Reasons for Proposal

Our charter currently authorizes us to issue up to 50,000,000 shares of capital stock, consisting of 40,000,000 shares of common stock and 10,000,000 shares of preferred stock. As of March 10, 2004, we had a total of 20,249,580 shares of common stock outstanding, and approximately 4,515,388 additional shares of common stock reserved for issuance pursuant to our stock option plans and stock purchase plan. As a result, as of March 10, 2004, we had 15,235,032 shares of common stock available for future issuance in excess of the outstanding common stock, our future obligations to issue common stock, and other shares of common stock that we had reserved under existing stock plans.

The board of directors believes that it is important to have available for issuance a number of authorized shares of common stock that will be adequate to provide for future stock issuances to meet our obligations described above and for our future corporate needs. The additional authorized shares would be available for issuance from time to time in the discretion of the board, without further stockholder action except as

Edgar Filing: CENTENE CORP - Form DEF 14A

may be required for a particular transaction by law or the rules and regulations of the New York Stock Exchange. The shares would be issuable for any proper corporate purpose, including future acquisitions, capital raising transactions consisting of either equity or convertible debt, stock dividends, stock splits, or issuances under current and future stock plans. The board believes that these additional shares will provide us with needed flexibility to issue shares in the future without potential expense and delay incident to obtaining stockholder approval for a particular issuance. Except to the extent of our existing obligations on the date of mailing of this proxy statement, we do not currently have any plans, understandings or agreements for the issuance or use of the additional shares of common stock to be approved under this proposal.

Table of Contents

Principal Effects on Outstanding Common Stock

Holders of common stock are entitled to one vote per share on all matters submitted to a vote of our stockholders and to receive ratably dividends, if any, as may be declared from time to time by the board of directors from funds legally available therefore, subject to the payment of any outstanding preferential dividends declared with respect to any preferred stock that from time to time may be outstanding. Upon our liquidation, dissolution or winding up, holders of common stock are entitled to share ratably in any assets available for distribution to stockholders after payment of all of our obligations, subject to the rights to receive preferential distributions of the holders of any preferred stock then outstanding.

The proposed amendment to our charter to increase the number of shares of authorized common stock would not affect the rights of existing holders of common stock except to the extent that future issuances of common stock will reduce each existing stockholder's proportionate ownership. Holders of common stock do not have any preemptive rights to subscribe for the purchase of any shares of common stock, which means that current holders of common stock do not have a prior right to purchase any new issue of common stock in order to maintain their proportionate ownership.

The issuance of additional shares of common stock could have the effect of making it more difficult for a third party to acquire, or discouraging a third party from attempting to acquire, control of Centene. We are not aware of any attempts on the part of a third party to effect a change of control of Centene, and the amendment has been proposed for the reasons stated above and not for any possible anti-takeover effects it may have.

Board Recommendation and Required Stockholder Vote

The board of directors believes the charter amendment is in our best interest and the best interest of our stockholders and recommends that the stockholders vote FOR the proposal to increase the number of shares of common stock authorized for issuance under our charter.

The affirmative vote of the holders of a majority of the outstanding shares of common stock is required for the approval of the charter amendment. Broker non-votes will not be counted as votes in favor of such matter. Accordingly, abstentions and broker non-votes will have the same effect as a vote against the amendment.

Other Matters

Our board of directors is not aware of any matters that are expected to come before the meeting other than those referred to in this proxy statement. If any other matter should properly come before the meeting, the persons named in the accompanying proxy card intend to vote the proxies in accordance with their best judgment.

Edgar Filing: CENTENE CORP - Form DEF 14A

The chairperson of the meeting may refuse to allow the transaction of any business not presented beforehand, or to acknowledge the nomination of any person not made, in compliance with the above procedures.

Submission of Future Stockholder Proposals

Under SEC rules, a stockholder who intends to present a proposal, including nomination of a director, at our 2005 Annual Meeting of Stockholders and who wishes the proposal to be included in the proxy statement for that meeting must submit the proposal in writing to Karey L. Witty, our Secretary, at 7711 Carondelet Avenue, St. Louis, Missouri 63105, before January 1, 2005. SEC rules set standards for the types of stockholder proposals and the information that must be provided by the stockholder making the request.

A stockholder may also submit a proposal to be considered at our 2005 Annual Meeting of Stockholders pursuant to our by-laws, which provide that the proposal must be received by our Secretary not fewer than sixty

Table of Contents

days nor more than ninety days before that meeting. This notice must include the information required by the provisions of our by-laws, a copy of which may be obtained by writing to our Secretary at the address specified above. We have not yet set a date for our 2005 Annual Meeting of Stockholders. If the 2005 Annual Meeting of Stockholders were to be held on May 4, 2005, the anniversary of the 2004 Annual Meeting, the deadline for delivery of a stockholder proposal pursuant to our by-laws would be March 7, 2005. If a proposal is submitted pursuant to our by-laws by March 7, 2005 but after January 1, 2005, the stockholder may not require that the proposal be included in the proxy statement for the 2005 Annual Meeting of Stockholders. If the date of our 2005 Annual Meeting of Stockholders is advanced or delayed by more than 30 days from May 4, 2005, we shall inform our stockholders, in our earliest possible quarterly report on Form 10-Q, of such change and the new dates for submitting shareholder proposals.

INFORMATION ABOUT CORPORATE GOVERNANCE

General

We believe that good corporate governance is important to ensure that we are managed for the long-term benefit of our stockholders. Our Corporate Ethics and Compliance Programs were first established in 1998 and provide methods by which we further enhance operations, safeguard against fraud and abuse and help assure that our values are reflected in everything we do. We have also reviewed the provisions of the Sarbanes-Oxley Act of 2002, the new and proposed rules of the SEC, and the listing standards of the New York Stock Exchange.

Board and Committee Meetings

Our board of directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. The board's primary responsibility is to oversee the management of the company and, in so doing, serve the best interests of the company and its stockholders. The board selects, evaluates and provides for the succession of executive officers and, subject to stockholder election, directors. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. Management keeps the directors informed of our activities through regular written reports and presentations at board and committee meetings.

Our board held 5 regular meetings and 18 special meetings through telephone conference call or by written consent in 2003. All of our directors attended 75% or more of the meetings of the board and of any committees thereof on which they served. Our corporate governance guidelines provide that directors are expected to attend the 2004 Annual Meeting of Shareholders. All directors attended the 2003 Annual Meeting of Shareholders.

Our board of directors has appointed Robert K. Ditmore, presiding director, to preside at all executive sessions of non-management directors, as defined under the rules of the New York Stock Exchange. Executive sessions of non-management directors will be held at least twice a year.

Our board of directors has established three standing committees—Audit, Compensation, and Nominating and Governance—each of which operates under a charter that has been approved by our board. Current copies of each committee's charter are posted on our website, www.centene.com. In addition, a copy of the Audit Committee charter, as in effect on the date of this proxy statement, is attached as Appendix A to this proxy statement and copies of all charters are available to all stockholders upon request.

Under New York Stock Exchange rules a director will only qualify as independent if the board of directors affirmatively determines that he or she has no material relationship with us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us). The board has established guidelines to assist it in determining whether a director has such a material relationship. Ownership of a significant amount of our stock, by itself, does not constitute a material relationship. For relationships not covered by the guidelines discussed above, the determination of whether a material relationship exists is made by the other directors who are independent. The board broadly considers what it deems to be all relevant facts and circumstances in determining the independence of its members.

Edgar Filing: CENTENE CORP - Form DEF 14A

Our board of directors has affirmatively determined that all directors except Michael F. Neidorff, our President and Chief Executive Officer, and, therefore, a majority of our directors, as well as all of the members of each of the board's three standing committees, are independent as defined under the new rules of the New York Stock Exchange that become applicable to us on the date of the Annual Meeting, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Exchange Act. In addition, all of the members of the Audit Committee are independent as defined by the rules of the New York Stock Exchange.

Table of Contents

reviewing and making recommendations to the board with respect to management succession planning;

reviewing and recommending to the board corporate governance principles; and

overseeing an annual evaluation of the board's performance.

The current members of the Nominating and Governance Committee are Robert K. Ditmore, Claire W. Johnson and David L. Steward. The Nominating and Governance Committee met two times during 2003.

Director Candidates

The process followed by the Nominating and Governance Committee to identify and evaluate director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Governance Committee and the board.

In considering whether to recommend any particular candidate for inclusion in the board's slate of recommended director nominees, the Nominating and Governance Committee will apply the criteria set forth in our Corporate Governance Guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Nominating and Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board to fulfill its responsibilities.

Stockholders may recommend individuals to the Nominating and Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date such recommendation is made, to Nominating and Governance Committee, c/o Secretary, Centene Corporation, 7711 Carondelet Avenue, Suite 800, St. Louis, Missouri 63105. Assuming that appropriate biographical and background material has been provided on a timely basis, the Nominating and Governance Committee will evaluate stockholder-recommended candidates by following substantially the same process and applying substantially the same criteria as it follows for candidates submitted by others. During the past year, the Nominating and Governance Committee retained a third-party executive recruitment firm, Sathe Executive Search, to assist the Committee members in the process of identifying and evaluating potential nominees for the board.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of the Nominating and Governance Committee or the board, by following the procedures set forth under "Submission of Future Stockholder Proposals" of this proxy statement.

At the Annual Meeting, stockholders will be asked to consider the election of Steve Bartlett, who has been nominated for election as a director for the first time. Mr. Bartlett was originally proposed to the Nominating and Governance Committee by Sathe Executive Search and the board determined to include him among its nominees.

Communicating with Independent Directors

The board will give appropriate attention to written communications that are submitted by stockholders and other interested parties, and will respond if and as appropriate. The Chairman of the Nominating and Governance Committee, with the assistance of our chief executive officer, is primarily responsible for monitoring communications from stockholders and other interested parties and for providing copies or summaries to the other directors as he or she considers appropriate.

Table of Contents

Under procedures approved by a majority of the independent directors, communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments considered to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the board should address such communications to Board of Directors, c/o Secretary, Centene Corporation, 7711 Carondelet Avenue, Suite 800, St. Louis, Missouri 63105.

Corporate Governance Guidelines

Our board of directors has adopted Corporate Governance Guidelines addressing, among other things, director qualifications and responsibilities, responsibilities of key board committees, director compensation and management succession. A current copy of the Corporate Governance Guidelines is posted on our website, www.centene.com. In addition, copies of the Corporate Governance Guidelines are available to all stockholders upon request.

Code of Business Conduct and Ethics

Our board of directors has adopted a Code of Business Conduct and Ethics. While no code of conduct can replace the thoughtful behavior of an ethical director, officer or employee, we feel the Code of Business Conduct and Ethics will, among other things, focus our board and management on areas of ethical risk, provide guidance in recognizing and dealing with ethical issues, provide mechanisms to report unethical conduct and generally help foster a culture of honesty and accountability. Any amendment or waiver of the Code of Business Conduct and Ethics may only be made by the board or a committee of the board. A current copy of the Code of Business Conduct and Ethics is posted on our website, www.centene.com. Any future amendments or waivers of the Code of Business Conduct and Ethics will be promptly disclosed on our website. In addition, copies of the Code of Business Conduct and Ethics are available to all stockholders upon request.

Audit Committee Report

Edgar Filing: CENTENE CORP - Form DEF 14A

The board of directors adopted a new written charter for the Audit Committee in March 2004. The Audit Committee reviewed the charter and determined that the charter meets the standards set forth in the applicable regulations of the New York Stock Exchange and the SEC. The charter is attached as Appendix A to this proxy statement.

Management is responsible for the preparation of Centene's financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. PricewaterhouseCoopers LLP, as independent auditors for Centene, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and provide independent, objective oversight of these processes. The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention it deems necessary and appropriate to each of the matters assigned to it under its charter. The Audit Committee's duties and responsibilities do not include conducting audits or accounting reviews. Therefore, the Audit Committee has relied on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of PricewaterhouseCoopers included in its report on the consolidated financial statements. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

Table of Contents

In this context, the Audit Committee has met and held discussions with management and PricewaterhouseCoopers to review and discuss all financial statements for the fiscal year ended December 31, 2003 before their issuance and to discuss significant accounting issues. Management represented to the Audit Committee that the consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and PricewaterhouseCoopers. The Audit Committee has received from and discussed with PricewaterhouseCoopers matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). SAS No. 61 (as codified in AU Section 380 of the Codification of Statements on Auditing Standards) requires PricewaterhouseCoopers to discuss with the Audit Committee, among other things, the following:

methods to account for significant unusual transactions;

the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

the process used by management in formulating particularly sensitive accounting estimates and the basis for the conclusions of PricewaterhouseCoopers regarding the reasonableness of those estimates; and

disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

PricewaterhouseCoopers also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires auditors, among other things, annually to:

disclose in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on independence;

confirm their perceived independence; and

engage in a discussion of independence.

The Audit Committee has discussed with PricewaterhouseCoopers their independence with respect to Centene and concluded that PricewaterhouseCoopers is independent.

Based on its discussions with management and PricewaterhouseCoopers and its review of the representations and information provided by management and PricewaterhouseCoopers, the Audit Committee recommended to Centene's board of directors that the audited financial statements be included in Centene's Annual Report on Form 10-K for the year ended December 31, 2003.

By the Audit Committee of the board of directors of Centene Corporation.

AUDIT COMMITTEE

Independent Auditors

The Audit Committee has selected PricewaterhouseCoopers LLP to serve as our independent auditors for the year ending December 31, 2004. PricewaterhouseCoopers has served as our independent auditors since June 18, 2002. We expect that representatives of PricewaterhouseCoopers will be present at our Annual Meeting of Stockholders to answer appropriate questions. They will have the opportunity to make a statement if they desire to do so.

Table of Contents

On June 18, 2002, our board of directors, upon the recommendation of the Audit Committee, dismissed Arthur Andersen LLP as our independent public accountants and engaged PricewaterhouseCoopers to serve as our independent public accountants for the fiscal year 2002, effective June 18, 2002.

The reports of Arthur Andersen on our consolidated financial statements for the fiscal years ended December 31, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were those reports qualified or modified as to uncertainty, audit scope or accounting principles.

During the year ended December 31, 2001 and the period ending on June 18, 2002, there were no disagreements with Arthur Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter in conjunction with their report on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

During the year ended December 31, 2001 and through June 18, 2002 neither we, nor anyone acting on our behalf, consulted PricewaterhouseCoopers with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Principal Accountant Fees and Services

The following table discloses the aggregate fees billed by PricewaterhouseCoopers LLP, our independent auditor, for services rendered in 2003 and 2002 (\$ in thousands):

	<u>2003</u>	<u>2002</u>
Audit Fees	\$ 671	\$ 231
Audit-Related Fees (1)	104	6
Tax Fees (2)	282	57
All other Fees		

(1) Audit-Related Fees are primarily related to audits of employee benefit plans, acquisition due diligence and internal control reviews.

(2) Tax Fees are primarily related to tax planning and tax compliance.

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent auditor. This policy generally provides that we will not engage our independent auditor to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

Edgar Filing: CENTENE CORP - Form DEF 14A

From time to time, the Audit Committee may pre-approve specified types of services that are expected to be provided to us by our independent auditor during the next 12 months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount.

The Audit Committee has also delegated to the Chairman of the Audit Committee the authority to approve any audit or non-audit services to be provided to us by our independent auditor. Any approval of services by the chairman of the Audit Committee pursuant to this delegated authority is reported on at the next meeting of the Audit Committee. All audit-related fees and tax fees for 2003 and 2002 were pre-approved by the Audit Committee, and no fees were provided under the de minimis exception to the audit committee pre-approval requirements.

ScriptAssist Acquisition

On March 1, 2003, we purchased contract and name rights of ScriptAssist LLC, a medication compliance company, for an aggregate payment of \$500,000 in cash. John D. Tadich, our Senior Vice President, Specialty Companies, held membership interests representing approximately 1.5% of the equity of ScriptAssist and was an officer of ScriptAssist before he joined us in October 2002. Mr. Tadich received from ScriptAssist, contemporaneously with the acquisition, \$75,000 in cash in payment for services rendered to ScriptAssist prior to October 2002, when Mr. Tadich joined us. The purchase price of the acquired assets was based on our arm's-length negotiations with the management and principal stockholders of ScriptAssist. Michael F. Neidorff, our President and Chief Executive Officer, Karey L. Witty, our Senior Vice President, Chief Financial Officer and Treasurer, and Alan Sunshine, a consultant to us, acted on our behalf in connection with these negotiations. Mr. Tadich did not participate in the negotiations.

Table of Contents

Each option included in the preceding table has an exercise price per share equal to the fair market value per share of our common stock on the date of grant.

The potential realizable values reflected in the preceding table represent hypothetical gains that could be achieved for the options if exercised at the end of their option terms. These gains are based on assumed rates of stock price appreciation of 5% and 10% compounded annually from the date an option was granted to its expiration date. The grants shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise of the option or the sale of the underlying shares. The actual gains, if any, on the exercises of stock options will depend on the future performance of the common stock, the option holder's continued employment through the option period, and the date on which the options are exercised.

Option Exercises and Holdings

The following table sets forth information regarding the number and value of exercised and unexercised options held by each of the named executive officers as of December 31, 2003.

Total Option Exercises During 2003 and Year-End Values

Karey L. Witty	10,000	\$ 252,470	75,500	67,000	\$ 1,981,500	\$ 984,205

Stock options that are otherwise unvested may be exercised for shares that are subject to vesting and a repurchase option at the exercise price. Except for 45,000 shares subject to options granted to certain of our directors in 2002 and 2003 and 100,000 shares subject to options granted to our chief executive officer in 2003, all shares subject to options vest ratably over five years. The options granted to certain of our directors in 2002 and 2003 will vest on the date of our 2004 Annual Meeting of Stockholders and the options granted to our chief executive officer in 2003 vest ratably over three years. Fifty percent of the shares underlying options granted under our 1994 Stock Plan, 1996 Stock Plan and 1998 Stock Plan automatically vest in full upon a change of control. Compensation Committee Report

The Compensation Committee consists entirely of directors who are not officers or employees of Centene or of any of its affiliates. The Compensation Committee establishes the salaries and other compensation for executive officers, including Centene's chief executive officer and the other named executive officers. The Compensation Committee also administers the stock option and stock purchase plans.

In 2003, the Compensation Committee engaged the services of the Hay Group, an employment compensation consulting firm, to provide advice with respect to the base salaries and bonuses of Centene's executive officers. The consultants analyzed the compensation levels of executive officers of a peer group of companies for the most recently completed fiscal years and used proprietary valuation methodologies to value the long-term incentive compensation levels of the officers of the companies in the peer group. The consultants then provided statistical information to the Compensation Committee. The Compensation Committee considered this information to be of significant value in reviewing executive compensation for Centene in 2003 and, in particular, establishing bonuses payable for 2003, in order to advance the Compensation Committee's philosophy of compensating Centene's executive officers at competitive levels.

Table of Contents

Philosophy

The Compensation Committee, composed of two independent directors, administers the executive compensation program. The philosophy of the Compensation Committee as it relates to executive compensation is that the chief executive officer and other executive officers should be compensated at competitive levels sufficient to attract, motivate and retain talented executives who are capable of leading Centene in achieving its business objectives in an industry facing increasing regulation, competition and change, while aligning the compensation of senior management with the long-term interests of stockholders.

Salary

Annual compensation for senior management consists of base salary and, when appropriate, bonus compensation. The minimum base salaries of each named executive officer, other than the chief executive officer, is established by his or her employment agreement described under Employment Agreements above. Subject to these minimums, salary levels of executives are reviewed and normally adjusted annually, and any bonuses are normally awarded annually. In determining appropriate salaries, the Compensation Committee considers: (1) the chief executive officer's recommendations as to compensation for all other executive officers; (2) the scope of responsibility, experience, time in position and individual performance of each officer, including the chief executive officer; and (3) compensation levels at institutions of comparable size and complexity. The Compensation Committee's analysis is a subjective process that utilizes no specific weighting or formula of the aforementioned factors in determining executives' base salaries. In 2003, the Compensation Committee also reviewed and considered the base salaries of Centene's executive officers in light of the base salaries paid to companies in Centene's peer group, using information provided by the consultants engaged by the Compensation Committee.

Bonuses

The Compensation Committee considers bonus compensation to be a motivational method for encouraging and rewarding outstanding individual performance, as well as the overall performance of Centene. Awards under the bonus plan are recommended to the board of directors by the Compensation Committee based primarily upon: (1) the overall performance of Centene, including Centene's performance versus its business plan; (2) the performance of the individual officer; and (3) the recommendation of the chief executive officer. In 2003, the Compensation Committee also reviewed and considered bonuses paid to companies in the Centene's peer group, using information provided by the consultants engaged by the Compensation Committee. The purpose of the bonus plan is to provide a special incentive to each executive to maximize his or her individual performance and the overall performance of Centene. For most senior officers, bonus-to-salary ratios are sufficiently high to provide meaningful incentives to accomplish these objectives. Bonuses are not based upon formulas or other objective criteria. In 2003, the Compensation Committee approved bonuses to executive officers totaling \$2,017,000.

Option Grants

The Compensation Committee also considers stock option grants to be an important motivational method for encouraging outstanding performance, especially for senior officers. The Compensation Committee believes that stock options provide management with a direct interest in the value of the common stock of Centene, thus aligning the interests of management with those of stockholders. In 2003, the Compensation Committee granted a total of 383,750 options to purchase Centene common stock to executive officers. In addition, each executive officer holds options to purchase common stock of Centene.

other most highly compensated executive officers. Some types of compensation, including qualified performance-based compensation, will not be subject to the deduction limit if specified requirements are met. In general, Centene structures and administers its stock option plans in a manner intended to comply with the performance-based exception to Section 162(m). Additionally, Centene intends that its Short-Term Executive Compensation Plan, after stockholder approval, will comply with the performance-based exception to Section 162(m). Nevertheless, there can be no assurance that compensation attributable to awards granted under Centene's stock option plans or its Short-Term Executive Compensation Plan will be treated as qualified performance-based compensation under Section 162(m). In addition, the Compensation Committee reserves the right to use its judgment to authorize compensation payments that may be subject to the limit when the Compensation Committee believes such payments are appropriate and in the best interests of Centene and its stockholders, after taking into consideration changing business conditions and the performance of its employees.

Our common stock has been listed for trading on the New York Stock Exchange under the symbol **CNC** since October 16, 2003 and on the Nasdaq National Market under the symbol **CNTE** from December 13, 2001 to October 15, 2003. The following graph compares the cumulative total stockholder return on our common stock for the period from December 13, 2001 to December 31, 2003 with the cumulative total return of the New York Stock Exchange Composite Index and a selected industry peer group over the same period. The graph assumes an investment of \$100 on December 13, 2001 in our common stock (at the last reported sale price on such date), the New York Stock Exchange Composite Index, the Nasdaq Stock Market 100 Index and the selected peer group and assumes the reinvestment of any dividends. The industry peer group of companies we selected consists of AMERIGROUP Corporation, Coventry Health Care, Inc., First Health Group Corp. and Oxford Health Plans, Inc. We used the New York Stock Exchange Composite Index as a broad equity market index rather than the Nasdaq Stock Market 100 Index used in the preceding year. This change was made in conjunction with our listing our common stock on the New York Stock Exchange on October 16, 2003.

We are required to disclose any late filings of such reports. To our knowledge, based solely on our review of copies of reports furnished to us and written representations by the persons required to file these reports that no other reports were required, all Section 16(a) filing requirements during 2003 were complied with on a timely basis, except that, due to administrative error, Samuel E. Bradt failed to file a Form 4 on January 6, 2003 reporting the sale of 2,000 shares common stock, David L. Steward failed to file a Form 3 and a Form 4 on May 8, 2003 reporting grants of options to purchase 7,500 shares of common stock and Joseph P. Drozda, Carol E. Goldman, Michael F.
